INVITATION

Meeting on Decentralized Waste Management -- Challenges and Opportunities

Date : Saturday, 8 November 2014 **Time:** 10 am to 4.30 pm
Venue : St. Michael's Church Auditorium (3rd Floor), Lady Jamshedji Road,
(Near Mahim Bus Depot), Mahim West, Mumbai 400 016

Institute for Community Organisation Research (ICOR), Goregaon East, and the Citizens' Action Group (CAG) on Waste Management are organizing a one-day meeting on "Promoting Community-based Waste Management in Mumbai" on 8 November 2014, with the following objectives.

- i) To highlight some good waste management practices and methods by individuals, housing societies and organizations in the city and share their experiences and constraints.
- ii) To discuss how citizens/citizens' groups can expand such individual and community efforts in waste management, and how the Municipal Corporation can support such efforts.
- iii) To discuss the Municipal Corporation's own long-pending plans for waste segregation and decentralized waste management : What can the citizens expect?

We invite you to participate in this meeting, share your work and experiences, and be part of the general efforts to expand community-based waste management in the city.

We will be looking forward to your participation, and will appreciate a line in confirmation.

Sincerely,

Allwyn D'Silva

(Director, Institute for Community Organisation Research)
